

# **Bay County Road Closures due to Flooding**

Below is the current list of road closures in Bay County. Some of these roads are closed due to water over the road. Others are closed due to a bridge being impacted by flood waters. This list will be updated daily until the flood waters subside.

If you come to an area that is covered with water, you will not know the depth of the water or the condition of the ground under the water. This is especially true at night, when your vision is more limited.

Play it smart, play it safe. Whether driving or walking, any time you come to a flooded road, Turn Around, Don't Drown.
